

Learn To Fly!

This is an open forum 45 minute lecture with Alan Matson. Join our outstanding crowd and learn about what it takes to become a pilot. Have fun, improve your flying, & get in touch with the fun friendly side of aviation. We will be having an open house party following at 12PM with free lunch for all attendees! Bring your friends or family!

Directions: Park in the Inflight/Modern Avionics parking lot & along the adjacent hangars...we're hard to miss, averaging over 100 cars each week. Inflight's office doors are on the west end of the Modern Avionics building right next to the "D" taxiway. If flying in, ask for a progressive to Inflight & park right out front on our ramp next to the school & other transient airplanes, we'll wave you in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
